Mad Town Talls Celebrate the 4th of July at Warner Park with Rhythm & Booms – Tom G

Well, it was that time of year again for our club to celebrate our nation's independence at Warner Park, which this year was held on 6/29. Members of our club who did the patriotic duty by attending this party besides myself were Tim, Wanda, Dave J, Carol, Kevin, Paul, Pat, Diane & Kevin. We were well entertained by 3 bands: The Competition, Vic Ferrari & Paul Revere and the Raiders.

Then at dusk, as in past years, they shot off the most spectacular display of fireworks accompanied by music supplied by radio station WOLX and the Madison Symphony Orchestra. Whoops, almost forgot to tell you that country singer Lee Greenwood also performed and really got everybody in the patriotic spirit when he performed his 1987 hit God Bless the USA.

Afterwards, Tim, Wanda & I went to the Northgate Mall to retrieve our vehicles. Traffic on both Sherman and Aberg Ave was still backed up, so we purchased a pizza at a place at the mall and thus we had ourselves an after festival tailgate party. While we were eating the pizza, Dave J. came through the parking lot in his car, but in spite of our attempts to get his attention he FAILED to see us. Must have been a good R&B tune playing on this radio that had his attention! Oh well, hope to see you all at future events.

**MadTown Talls Spend a Day Taking in the Town
- Tom G**

Saturday, June 6th was a beautiful summer day, so a few other members of our club, including myself, decided to take advantage of it. We started the fun off with some lunch at Michael's on Monroe Street. We then proceeded over to Wingra Park for some paddle boating on the lake. Dave J and Donna had trouble with water in their boat, so they had to do some bailing using Dixie cups. I am happy to report that they made it back to shore without sinking. Kevin M went on his own and did some kayaking. I paired off with Carol, while Pat went with new member Don. We then decided it was time for us to visit our relatives, so we went over to the Henry Vilas Zoo. Yes, it was nice to see our relatives, especially the ostrich and giraffe (ha ha!!). We then decided it was time for some partying, so we headed for the Capital Brewery to listen and dance to the band Three Beers Til Dubuque. They played a great variety of tunes to please everyone. As with every MadTown event, a good time was had by all. My thanks to Carol for her patience with me steering the boat, and for showing us a shortcut from Wingra Park to the Henry Vilas Zoo.

Mad Town Talls have Cornfest at Tim & Wanda's – Tom G

This event, held on 7/20, at first looked like it was going to be strictly an indoor event, as I was the first to arrive at about 4pm during which it was raining cats and dogs. However, as time ticked by and other members of the club arrived, the weather became more desirable. To get things rolling, our club president and dj, Dave J, immediately got his equipment set up and got things going with tunes for everybody's dancing and listening pleasure. Then at about 7pm Wanda got the food ready and like it says in the headlines, we had a lot of DELICIOUS CORN!!! Along with other tasty items, a birthday cake was also served, due to the fact that it was Kevin Martin's birthday. **Happy 50th Kevin!!!** Shortly thereafter, Diane, along with Beth and Anne J. arrived, as they had an agonizing time trying to find the place. At about 10:30, the cover was taken off the hot tub and a lot of folks got in. Unfortunately, due to the later hour with the drive back to Milwaukee ahead of me, I was not able to take advantage of this. Other persons in attendance besides yours truly and the previous ones mentioned, were Carol, Donna, Marty, Judi, Don, Lynn, and Dave. Also, I wish Wanda and Tim for hosting this party, at their home. If our club had a member of the year award like other clubs do, they should be seriously be nominated for it!
