## Dinner & Movie Night – Tom Grupp

On the night of 4/19, several members of our club, along with yours truly did our once a month ethnic dinner with a movie afterwards. This month it was Mexican, as we ate at the Larado's Mexican restaurant on Whitney Way Ave. I had a Mexican steak which had some fat on it, but it was still enjoyable. Everyone else enjoyed their meals also. We then went over to the South Town Mall to see the movie Core. This film starred Hillary Swank. It's about our planet Earth having problems

deep inside the core, thus causing catastrophes all over. A team of persons is then sent down to the earth's core to correct the problem. Lots of great special effects and an interesting plot made this movie worthwhile. Members in attendance beside myself, were Kevin M, Carol, Pat D, Tim, & Wanda.
