MALL OF AMERICA

May 3, 4 and 5, 2019
at the **Mall of America!**

**Twin Cities
Tall Club**

TALL GATHERING

In case you haven't heard, there is no package price. Unlike a TCI "Weekend," everyone is on their own dime at a more casual Tall Club "Gathering." There are no fundraisers, awards parties, organized after hours, or other "included" events. It's just a bunch of TALL friends having a great time, and each of us paying as we go.

**Book you own room, and
join us for three days of fun
with your TALL friends!**

Here is the basic 3-day plan!

FRIDAY, MAY 3

We'll be meeting for dinner at a **Mall of America** restaurant.

SATURDAY, MAY 4

We will attend the **Festival of Nations** in Saint Paul. The festival is a celebration of multicultural heritage featuring dancing, exhibits demonstrations and cuisine. (\$12 pp) Dinner and dancing will follow at **Mancini's Steakhouse** in Saint Paul. They have live bands on Saturday nights. (Remember, each person is expected to pay for their own dinner and drinks.)

SUNDAY—MAY 5

A day to explore and shop at the famous Mall of America with over 520 stores full of tax-free shopping, and 50 restaurants with all kinds of delicious food! We can check out **Nickelodeon Universe®**, **Sea Life®** **Minnesota Aquarium**, **FlyOver America**, **Crayola Experience**, and more — all under one roof! And, if that's not enough, it's only four miles from the Mall of America to the **Twin Cities Outlet Mall!**

If time allows, there is plenty more to do this weekend, like dropping into **Viking Stadium** (to experience the comprehensive history of the Minnesota Vikings and football in Minnesota), visiting the **Mill City Museum** (where you'll learn the history of flour milling in Minneapolis), seeing **Wabasha Caves** with a **Gangster Bus Tour**. The **Minnesota Zoo** is the only zoo in the nation where you can see Amur (Siberian) tigers! It is located in Apple Valley, Minn. Or, you could explore the powerful and diverse stories of America at historic **Fort Snelling** (which sits on the confluence of the Minnesota and Mississippi rivers, and features realistic reenactments and drills).

GETTING AROUND

Light rail at Mall of America will take you to downtown Minneapolis. Plus, there will be a number of drivers from the TCTC available to transport visitors on our adventures.
